

**High Profile Report Applications Pending  
at the Adirondack Park Agency as of 7/5/2012**

<b>Project Number</b>	<b>Project</b>	<b>Status</b>
<b>Permits Issued</b>		
2011-142	Gary Heurich, subdivision of 395± acres into eight lots and construction of two single family dwellings. The lots range in size from 3.8 acres to 113.6 acres. The property has approximately one mile of shoreline on Lake Champlain. A 36.5 acre lot will be conveyed by gift to the State of NY, as lands under the jurisdiction of the DEC. The project site is developed by three pre-existing single family dwellings and multiple agricultural use buildings.	Application deemed complete 3/3/12. Public comment period closed 3/29/12. Permit issued 6/1/2012.
2012-59	Ward, A meat processing facility, which will include the construction of a 50 foot by 150 foot building and new gravel parking area off of Commerce Drive, adjacent to the Ticonderoga Business Park. The facility is proposed to be operated Monday through Friday, 5am to 5pm. It will be served by the Municipal water and sewer systems. No outside storage areas or pasture areas are proposed; all activities will occur inside the proposed building. Town of Ticonderoga, Essex Co.	Application deemed complete 5/5/12. Public comment period closed 5/24/12. Permit issued 6/25/2012.
<b>Hearings</b>		
2011-95	Daniel Arbour and Sunset Farms Ltd. - New private airport w/1,500 foot runway with grass surface. Town of Willsboro, Essex Co.	Legislative hearing held 1/10/12. 60 + 90 day clocks extended by applicant.
2012-58	Cunningham, Variance application for lateral expansion of an existing single family dwelling within the shoreline setback area of Schroon Lake, and in a designated recreational rivers area of the Schroon River. Town of Schroon, Essex Co.	Application received 3/28/12. NIPA issued 4/30/12. Public Hearing Scheduled for 7/26/2012 10:00 AM at the Town of Schroon Town Hall
2012-21	Town of Webb - A multi-modal transportation facility involving wetlands which connects to the ending point of the existing TOBIE Trail (Phase 1) on Railroad Avenue in Old Forge to the Thendara Train Station. (TOBIE = Thendara, Old Forge, Big Moose, Inlet and Eagle Bay.) A pedestrian bridge (requiring a variance) spanning the Middle Branch of the Moose River will need to be constructed in order to accomplish the connection. The proposed project includes the completion of two segments of the 14 mile town-wide trail linking five hamlets. The paved trail will generally consist of signed bicycle and pedestrian facilities throughout the project corridor and a shared-use trail for sections located within the old railroad right-of-way.	Application received 2/7/12. NIPA issued 3/1/12. Public Hearing held 6/22/2012. Scheduled for determination in July Agency Meeting.

<b>Applications Deemed Complete</b>		
2005-219	Ward Hill Properties, subdivision of 243.72 acres into 12 lots ranging in size from 2.00 acres to 7.89 acres, creating substandard size lots in Rural Use. Town of Johnsbury, Warren Co.	Application deemed complete on 10/11/11. Public comment period ended on 11/2/11. Clocks extended for town decision.
2011-157	Keith Harris – After-the-fact to expand existing commercial sand and gravel mine from 15 truck trips per day to 100 truck trips per day, from 7 am to 5pm Monday through Friday from May 1st until November 30. Town of Fort Ann, Washington Co.	Application deemed complete on 4/25/12. Public comment period ends 5/17/12.
2012-082	On an existing 90-foot tall guyed tower on McCauley Mountain, AT&T proposes to remove 3 existing omni antennas (at centerline heights of 62 ft. and 74 ft. above ground level) and replace them with 9 four foot tall panel antennas on 8 foot booms at a centerline height of 70 ft. above ground level. The purpose of the project is to upgrade the facilities technology, enhance coverage in the area, and address several interference issues at the site.	Application deemed complete on 5/29/2012.

<b>Notices of Incomplete Permit Application (NIPA)</b>
