The Agency encourages public comment that will assist us in improving our practices, procedures, and our responsibility to the public. However, to promote fundamental fairness, and in consideration of the substantial time available for written comment, the practice of the Agency is to exclude public comment on matters pending decision until the conclusion of Agency business. This includes: (1) any matter which is before the Agency for action at this meeting; (2) any enforcement case which is before the Agency; (3) any matter for which an adjudicatory public hearing has been convened. Conduct of the meeting is always at the discretion of the Chair or Committee Chair.
