**Re: APA Project 2018-0123
Woodward Lake Subdivision**

Dear Mr. Lord:

As discussed during our September 26, 2018 site visit and described in your October 4, 2018 email to me, I am writing to confirm that the Agency's deadline for identifying and requesting additional information in relation to Project 2018-0123 has been extended, at your request and by mutual agreement, until 15 days after receipt of your revised plans and response to public comment. Please contact me if you would like to make any alterations to this deadline extension.

As also discussed, Agency staff will share preliminary feedback with you that may be useful as you make revisions. We intend to provide this feedback within a week of receiving a copy of the new subdivision map in use during our October 9, 2018 site visit.

Thank you for your cooperation. If you have any questions, please do not hesitate to contact me.

Sincerely,
